Minority Report To Amend Plank 130. Homosexuality

Strike the first sentence following title, "Homosexuality is an abnormal lifestyle choice" to read as follows:

130. Homosexuality: We believe there should be no granting of special legal entitlements or creation of special status for homosexual behavior, regardless of state of origin, and we oppose any criminal or civil penalties against those who oppose homosexuality out of faith, conviction, or belief in traditional values. No one should be granted special legal status based on their LGBTQ+ identification.
